

We are excited to introduce four new Security Copilot agents in Microsoft Defender that bring autonomous intelligence across different stages of the SOC lifecycle. These agents combine context, ...

Our study shows that a trained ResNet50 convolutional neural network on container detection within a maritime port obtains a total loss (a validation metric for object detection models) ...

Container detection and container number OCR using Tensorflow Object Detection API and Tesseract Container detection and container number OCR is a specific project requirement, using Tensorflow ...

Tang et al. performed another study at Tianjin port for damage detection [13] in 2020. Since September 2024 three new CNN based model evolved - Yolov11, Yolov12 and RF-DETR. We will train, validate ...

Bratislava isn't just pretty - it's perfectly positioned. Nestled between Austria and Hungary, the city's large-scale energy storage acts as a "power sandwich" filling for Central Europe's renewable energy ...

Lodn&#233; kontajnery Slovensko, Bratislava, Zilina - predaj a pren&#225;jom kontajnerov za najlepšíu cenu. Vsetky typy, nov&#233; aj pouzít&#233; kontajnery, extra v&#253;hody.

SolarBox solar containers enable customers to achieve greater energy independence and reduce carbon emissions. By delivering clean, accessible electricity, we support sustainable communities ...

In today's dynamic energy landscape, harnessing sustainable power sources has become more critical than ever. Among the innovative solutions paving the way forward, solar energy ...

In this section, we first explain a container scanning process, followed by discussing existing container vulnerability detection tools and services. Furthermore, we will also discuss studies that investigate ...

Thanks to our long-term experience with solar power plants, we will provide you a tailor-made solution with the best possible return on investment. Since 2022 we offer also „LSE service“, a financing ...

Figure 2: Data set of container images at the port under different circumstances (see text for details) - &quot;A vision-based application for container detection in Ports 4.0&quot;

Why Energy Storage Matters in Central Europe Let's face it - when you think of Bratislava, snow-capped castles and Danube River cruises might come to mind before energy ...
