

Can credit cards be topped up

<div class="df_qntext">Can I top up Octopus card with a credit card?

No,you cannot use a credit card to top them up - cash only. Cash is readily available through ATMs (HSBC,Citibank,Bank of China) at the airport. 2. Re: Topping up Octopus Card with a Credit Card If you need cash upon arrival,make sure you pull money from a bank ATM. Don't use an exchange service like Travelex as they give you bad rates.

<div class="df_qntext">How do I top up a prepaid card?

When you make a top up, you're depositing money into your bank account. You can also top up a prepaid card that isn't connected to your bank account. In either case, you're adding money to increase your existing balance. Top up in person, online, through an app--there are plenty of options to choose from. Read on to learn more.

<div class="df_qntext">How do I top up my bank account?

Topping up in person is usually as easy as going to a physical branch, an ATM, or a participating retail store and handing over the amount of cash you want to deposit. Digital top up methods include top up via debit and credit cards. It might take some time before your top up shows up in your account, depending on your top up method.

<div class="df_qntext">What should I do if I have a credit card?

Treat your credit card like a debit card. That means spending only what you have the cash to cover and quickly repaying your balances. You may also want to keep interest rates in mind as you determine your spending limit. After you set your credit limit,you can use various tools to help manage your spending and stick to your goal.

<div class="df_qntext">Should you set a credit card spending limit?

You might feel your credit line gives you too much spending flexibility and worry that you'll struggle to pay it off should you spend up to the limit. You can decide on a credit card spending limit to help keep you within your budget. Because this spending limit is personal,you can set it based on your needs.

<div class="df_qntext">What happens if you go over your credit limit?

Some credit card and budgeting apps let you set spending limits on transactions and balances. If you go over your transaction limit,you'll receive a notification. Once you safeguard your personal credit limit,you can use these strategies to stay on track.
