

Can i buy a new house with large storage space

<div class="df_qntext">How do I buy a new-build apartment?

When buying a new-build or an apartment in a block still under construction, the process is different to buying a pre-owned home. In this case, you will be buying from the project developer. You can either make a bid on a new house of your choice or pay a fixed price and enter a lottery for an apartment in a building.

<div class="df_qntext">Should you buy a new-build property instead of an existing house?

Buying a new-build property instead of an existing house comes with its pros and cons. The buying process of a new-build property differs from the standard process of an already existing house. Naturally, each option has its own benefits and downsides.

<div class="df_qntext">Should you buy a new build apartment?

Buying a newly build apartment has several advantages. First and foremost, there is a fixed price offer for the house, so there is no overbidding. If you win the lottery and get selected for the property, you can be sure that the asking price will be the final price you pay.

<div class="df_qntext">How much does it cost to build a new house?

In 2018, the average cost of building a new house to live in was just below EUR300 per cubic meter. Frameworks and regulations can be found at the Department of Housing, Spatial Planning, and the Environment (VROM). The Makelaarsvereniging Amsterdam (MVA) also has lots of useful information on buying land or new-builds in The Netherlands.

<div class="df_qntext">Should you buy a new-build house directly from a developer?

When buying a new-build property directly from the developer, you don't have to pay several 'buyer's costs' that are usually incurred when purchasing an existing property. When buying a new-build house, you avoid the following costs: Transfer tax: This is one of the biggest expenses from the buyer's costs.

<div class="df_qntext">Should you buy a house without a notary?

If you were thinking of buying a house without a notary, think again. In the Netherlands, this is a compulsory step in the process of buying a home. You do have some choice however when it comes to choosing your notary. You may make this decision based on the specific requirements of the property you're buying, or more simply -- the fees.

We are currently looking to buy our first home in Rodney. In your opinion, would we be better to buy a partially renovated 5 bedroom old house (villa) on 1000m² or a new build 3 bedroom on 500m². We ...
