

How long will it take to view the fengchu plan

<div class="df_qntext">Can feng shui help with a full-home layout?

Traditional feng shui consultation for full-home layouts can be costly, slow, and hard to access. Our AI-powered layout analyzer helps you instantly evaluate energy flow, element harmony, and spatial balance -- all from a simple floor plan upload.

<div class="df_qntext">How do I get feng shui results?

1. Upload Your Floor Plan Upload your complete home floor plan -- whether it's a photo, screenshot, or digital drawing. The layout should show all major rooms (entrance, kitchen, living room, bedrooms, etc.), walls, and furniture placements. Including the north direction ensures more accurate feng shui results.

<div class="df_qntext">How do I get feng shui feedback?

Upload the floor plan to get instant feng shui feedback -- and avoid poor layouts before committing. Use the AI generator to optimize your home's feng shui before renovation or moving day -- helping you avoid layout issues and boost energy flow. Already have a full layout?

<div class="df_qntext">How can I get feng shui advice for my home?

Get instant feng shui insights for your entire home -- including entrance, kitchen, living room, and bedrooms. Upload your apartment or house layout and receive personalized advice powered by classical feng shui principles and AI. No floor plan? Try our Room Planner to draw one.

<div class="df_qntext">Can AI feng shui be used for pre-move & pre-renovation planning?

Absolutely. This AI feng shui tool is perfect for pre-move or pre-renovation planning. By uploading your layout before making changes, you can identify design flaws, energy flow issues, or furniture placements that may clash with feng shui principles.

<div class="df_qntext">What should a feng shui floor plan include?

The layout should show all major rooms (entrance, kitchen, living room, bedrooms, etc.), walls, and furniture placements. Including the north direction ensures more accurate feng shui results. Don't have a floor plan yet? Use our Room Planner to draw your layout and export it for feng shui analysis. 2. Add Orientation & Property Info

We recommend that you take your time to enjoy your visit! It is advisable to plan a visiting time of at least 1 1/2 hours for visit to the 1st and 2nd floors and 2 1/2 hours for a visit to the top.
