

# New solar container company south america address

<div class="df\_qntext">What's new at Intersolar South America 2024?

S&#227;o Paulo, Brazil, August 29th, 2024 /PRNewswire/ -- Sungrow, the global leading PV inverter and energy storage system provider, presented its latest innovations in solar, storage, and EV charging at Intersolar South America, held from August 27-29, 2024.

<div class="df\_qntext">Where is the largest photovoltaic plant in South America?

All thanks to the inauguration of the largest photovoltaic plant in South America. Located in the Puna of Jujuy,the Cauchari plant has been equipped with more than 900 thousand solar panels that will occupy 600 hectares in the town of Susques,about 4200 meters above sea level.

<div class="df\_qntext">Where are solar power plants made?

Headquartered in Shanghai with 50,000m^2+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

<div class="df\_qntext">Where is the solar plant located in Jujuy?

Located in the Puna of Jujuy,the Cauchari plant has been equipped with more than 900 thousand solar panels that will occupy 600 hectares in the town of Susques,about 4200 meters above sea level. This project will not only provide clean energy,it will also generate local employment,contributing to the economic development of the region.

<div class="df\_qntext">Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations,power outputs,and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean,renewable solar energy.

<div class="df\_qntext">Does Sungrow EV charger work in Latin America?

It is compatible with all types of modulesand provides precise DC fault identification and abnormal terminal detection. As Latin America's electric vehicle (EV) market experiences rapid growth,Sungrow showcased its EV chargers,including 180 kW and 30 kW DC solutions and 22 kW AC solutions,to meet the soaring local demand.

In today's dynamic energy landscape, harnessing sustainable power sources has become more critical than ever. Among the innovative solutions paving the way forward, solar energy ...
