

Outdoor solar container battery box pictures and prices

<div class="df_qntext">What are the best solar battery boxes and enclosures?

Unbound Solar offers durable solar battery boxes and enclosures that are ideal for off-grid or grid-tie with battery backup systems. Browse our selection today. Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

<div class="df_qntext">What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

<div class="df_qntext">How many batteries can a metal battery box hold?

We supply various sizes of enclosures for holding batteries and associated electronics. Our most popular metal battery boxes are the NEMA 3R (rainproof), mill finish aluminum boxes, which can hold from a single battery up to 6, 8, or 10 if pad mounted. Many standard mill finish aluminum metal battery boxes are in stock, ready to ship.

<div class="df_qntext">Do I need a battery enclosure for my off-grid system?

If you're using batteries with your off-grid system, you will need to protect them from the elements and separated from living areas. Often that means a dedicated enclosure. We supply various sizes of enclosures for holding batteries and associated electronics.
