

Solar container battery new energy layoffs

<div class="df_qntext">Will SolarEdge close its energy storage division?

This does not impact the solar business sale of batteries for residential and C&I markets. Ronen Faier, Interim Chief Executive Officer of SolarEdge, said: "The decision to close our Energy Storage division was the result of a thoughtful analysis of our portfolio of businesses and product lines, industry trends, and the competitive environment.

<div class="df_qntext">What happened to SolarEdge?

MILPITAS, Calif. -- (BUSINESS WIRE)--Nov. 27, 2024-- SolarEdge Technologies, Inc. ("SolarEdge" or the "Company") (NASDAQ: SEDG), a global leader in smart energy technology, announced today that as part of its focus on its core solar activities, it will cease all activities of its Energy Storage division.

<div class="df_qntext">Are residential solar companies scaling back hiring and bracing for layoffs?

In particular, residential solar businesses are widely understood to be scaling back hiring and bracing for layoffs. Few formal announcements of employment curtailments have yet come to light, however, as some companies choose to quietly usher workers out the door.

<div class="df_qntext">Did Pine Gate renewables lay off 15%?

Word that Pine Gate Renewables, a North Carolina developer and owner-operator of U.S. utility-scale solar and energy storage projects, has laid off 15% have echoed this week over social-media platforms.

<div class="df_qntext">Will Powin LLC get a layoff in 2025?

"If Powin LLC's present business circumstances do not improve, it is currently anticipated that a layoff will occur on or before 28 July 2025," the letter, signed by Powin's VP for human resources, Scott Getman, read.

<div class="df_qntext">Why has EnerSys restructured?

This action is part of a strategic restructuring plan under the Company's new leadership to better align resources with current business priorities and long-term objectives. "Today's actions, while difficult, are necessary for EnerSys to remain competitive in our markets," said Shawn O'Connell, President and Chief Executive Officer of EnerSys.
