

# Solar container project brokerage agreement

<div class="df\_qntext">What is open solar contracts?

Open Solar Contracts is an initiative which streamlines project development and finance processes by offering legal agreements that make contracting faster and less costly. Standardised contracts include Power Purchase Agreement, Implementation Agreement, O&M Agreement, Supply Agreement, Installation Agreement and Finance Facility Term Sheet.

<div class="df\_qntext">What is a solar contract?

Solar Contracts are fine-tuned for small and medium-sized, grid-connected solar PV projects. Standardised contracts include: Power Purchase Agreement, Implementation Agreement, O&M Agreement, Supply Agreement, Installation Agreement and Finance Facility Term Sheet. These are complemented by the Implementation Guidelines.

<div class="df\_qntext">What is a solar power purchase agreement?

Adapted from Rarus Institute's &quot;The Customer's Guide to Solar Power Purchase Agreements&quot; (2008). A host customer agrees to have solar panels installed on its property, typically its roof, and signs a long-term contract with the solar services provider to purchase the generated power.

<div class="df\_qntext">What are standardised solar contracts?

Standardised contracts include: Power Purchase Agreement, Implementation Agreement, O&M Agreement, Supply Agreement, Installation Agreement and Finance Facility Term Sheet. These are complemented by the Implementation Guidelines. Open Solar Contracts review phase is now over.

<div class="df\_qntext">What is the term of a solar project agreement?

The term of this agreement runs from when the developer accepts this agreement and finishes on the date that the developer completes the project. You may use our free Scope of Work (SoW) template to streamline your solar project task setting and its completion. The initial term of the Agreement would commence on (Enter date).

<div class="df\_qntext">What is a solar development agreement template?

Use the solar development agreement template when an individual or business wants to develop a solar power project on their property. This agreement outlines the responsibilities of each party as it relates to the project. Our free template lets you ensure that both parties' rights are protected and that no important details are missed.
