

Solar container warranty terms

<div class="df_qntext">What is Huawei fusion Solar Advanced warranty services?

Advanced warranty services: The services to be provided by Huawei for free during the standard warranty period, only if the related product is connected to Huawei FusionSolar SmartPVMS. If the product is not connected to Huawei FusionSolar, or has been disconnected for over 6 months, the advance warranty shall be void.

<div class="df_qntext">Does the warranty cover battery damage if ESS products are not connected?

For ESS products that are not connected, the warranty does not cover the battery cell damage caused by failure to upgrade the products in time. To remotely upgrade the firmware to ensure the service life of battery cells, the LUNA2000-(7/14)-S1 must be connected to the Huawei FusionSolar SmartPVMS.

<div class="df_qntext">What are Huawei warranty services?

Basic warranty services: The services to be provided by Huawei by default and for free during the standard warranty period. Advanced warranty services: The services to be provided by Huawei for free during the standard warranty period, only if the related product is connected to Huawei FusionSolar SmartPVMS.

<div class="df_qntext">How to buy extended warranty service?

Before the end of the standard warranty period, the Buyer may purchase extended warranty service by signing a new service contract or extending the existing service contract with Huawei. The extended warranty period and price depend on the storage/operating conditions. The Buyer may consult Huawei local service team for more details.

<div class="df_qntext">What if warranty conditions are inconsistent with sales contracts?

In case the warranty conditions in this Document are inconsistent with the sales contracts between the Buyer and Huawei, the terms in the sales contracts shall prevail. The inverter mainly applies in C&I scenarios including rooftop PV plants. As the core electrical component in the PV system, it converts PV DC power into AC power.

<div class="df_qntext">What are the warranty conditions and limitations for isitepower-m?

The warranty conditions and limitations for iSitePower-M are the same as those for LUNA2000 series. Subject to notifications published on Huawei support website, or local service policy. During the warranty period, Huawei provides hotline, remote troubleshooting, online technical support, and multi-channel support.
