

Sungrow solar container cabinet supplier

<div class="df_qntext">Does Sungrow have a solar storage system?

The company announced the storage system as a solar+storage project in mid-May, but at the time it did not reveal that it was to be connected to a giant solar plant. The project was built with monocrystalline bifacial modules, supplied by an unnamed manufacturer, and 900 MW of Sungrow's SG250HX 1,500 V string inverters.
