Today, Tudor is further refining the Ranger with a new 36-millimeter version and a fresh, creamy white dial the brand calls "Dune," which is certainly the most universally wearable and ...

Tudor 1926 Review: Unveiling the M91650-0001 Watch""s Overall, the Tudor 1926 has received positive reviews from watch collectors and reviewers, with many noting its classic design, attention to detail, ...

TUDOR pays tribute to its origins and watchmaking traditions with its 1926 line, a range of mechanical watches that are timeless, classic and elegant. Available in four sizes with a wide choice of dials, the ...

Today I am reviewing the 36mm Tudor 1926 Ref M91450-0001. This is the stainless steel model, with a silver dial and rose gold hands. The watch was a gift for my girlfriend, but we wanted a style that I would also be able to wear occasionally. This specific reference proved difficult to obtain, possibly due [...]

Tudor 1926 power storage

So I got a round in the chamber and have been looking at a few things and tbh these Tudor 1926 have a lot going on I like. White dial may make it look to "flashy" (just a me thing) black ...
