<div class="df_qntext">When is ISES Solar World Congress 2025?

November 2025 ISES and ABENS, the Brazilian Association for Solar Energy and the official ISES section in Brazil, are excited to announce that the ISES Solar World Congress 2025 (SWC 2025) will take place in Fortaleza, Brazil from 04 - 07 November 2025! Brazil is one of the countries that uses the most renewable energies in its energy matrix.

<div class="df_qntext">Which country will host SWC 2025?

With this much going on, and with its outstanding mix of history, culture, and natural beauty, Brazil is a great choice to host the SWC 2025. The congress will be jointly organized by ISES, the International Solar Energy Society, and ABENS, the Brazilian Solar Energy Association, which is also ISES' Section in Brazil.

<div class="df_qntext">What is solar energy Congress?

This congress is recognized as the leading global platform for scientific and technological advancements in solar energy and other renewable sources. It will gather a diverse group of participants, including researchers, industry professionals, and policymakers, to discuss the latest innovations and strategies in the field.

<div class="df_qntext">How many people attended the SolarPACES Conference?

Thank you! The 31st edition of the SolarPACES conference was a great success with an amazing number of around 520 participants from 40 countries. We would like to thank all attendees, speakers, authors and co-authors, sponsors, and chairs for their contributions and participation. As always, it was a pleasure to have you at our conference.

<div class="df_qntext">Why should you attend a solar conference?

Unlike other solar conferences, proceeds from the event help to fund high quality journalism across our media titles.
