<div class="df\_qntext">What is the Solar World Congress (SWC)?

The Solar World Congress (SWC) is the official congress of the International Solar Energy Society (ISES), held every two years since 1970. It is the world's leading event for scientific and technological dissemination in the field of solar energy conversion technologies, including other renewable energy sources.

<div class="df\_qntext">When is ISES Solar World Congress 2025?

November 2025 ISES and ABENS, the Brazilian Association for Solar Energy and the official ISES section in Brazil, are excited to announce that the ISES Solar World Congress 2025 (SWC 2025) will take place in Fortaleza, Brazil from 04 - 07 November 2025! Brazil is one of the countries that uses the most renewable energies in its energy matrix.

<div class="df\_qntext">When is solar World Congress 2025 - SWC 2025?

From 04-07 November 2025, join ISES, the International Solar Energy Society, and their Brazilian Section ABENS for this year's Solar World Congress 2025 - SWC 2025.

<div class="df\_qntext">What is solar energy Congress?

It is the world's leading event for scientific and technological dissemination in the field of solar energy conversion technologies, including other renewable energy sources. The congress gathers professors, researchers, students, public managers, company representatives, and other professionals in this field.

<div class="df\_qntext">Why should you attend the Solar Energy Congress?

The Congress serves as a vital platform for connecting researchers, industry leaders, and policymakers, fostering essential dialogue and advancing the solar energy sector. Explore the wealth of knowledge shared at past events through the ISES conference proceedings database.

<div class="df\_qntext">What was the ISES Solar World Congress 2011?

The ISES Solar World Congress 2011 was the world's largest scientific congress in the field of solar energy and buildings. It took place from 28 August to 2 September 2011 in Kassel, Germany.

In today's dynamic energy landscape, harnessing sustainable power sources has become more critical than ever. Among the innovative solutions paving the way forward, solar energy ...

At One Place Solar, we believe staying informed and connected is key to growth. So here's your go-to guide for the most important solar and energy events happening worldwide in 2025 ...
