

# Xilong scientific solar container business

<div class="df\_qntext">Who is Xilong scientific?

Xilong Scientific Co.,Ltd.,founded in 1983,was established as one of the largest chemical reagents manufacturers and suppliers in China. Combining with R&D,import and export business,Xilong Scientific's business volume has reached over USD 180 million in 2009. Xilong Scientific has production plant in different areas of China.

<div class="df\_qntext">Where is Xilong scientific made?

Xilong Scientific has production plant in different areas of China. The Main factory is located in Shantou. The second factory is located in Chengdu,Sichuan Providence. For the production of amino acid,the plant is located in Shantou and produced under the name of Shantou Unisplendour Guhan Amino Acid Co.,Ltd.

<div class="df\_qntext">What is a solarcontainer?

The Solarcontainer is a photovoltaic power plantthat was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system,a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest Panels lays flat on the ground.

<div class="df\_qntext">How many households can a solar Container Supply?

Based on an average power consumption of a 4-person household of 4000 kWh per year and a location in Southern Germany,the solar container can supply approx. 32 householdswith climate-friendly electricity. At a location in Southern Europe it can even be up to 50 households due to the high solar radiation.

<div class="df\_qntext">How many installers does a solarcontainer need?

At least 3-4 installersand 1 crane operator are needed to put the Solarcontainer into operation within one day. How many households can one Solarcontainer supply with electricity?

<div class="df\_qntext">What makes Hilber Solar GmbH Special?

With Hilber Solar GmbH, the cross-generational and outstanding know-how flows into SolarCont GmbH as a guarantee for a perfectly coordinated and highly efficient photovoltaic system.

About Xilong scientific energy storage concept As the photovoltaic (PV) industry continues to evolve, advancements in Xilong scientific energy storage concept have become critical to optimizing the ...

Understand how activity and revenue gets distributed for Xilong Scientific Co., Ltd. (002584). Ten-year segmentation history. The entire stock market is on MarketScreener.

Xilong Scientific is engaged in the development and production of chemical reagents (including general chemical reagents, chemical reagents for PCBs, ultrapure chemical reagents), diagnostic reagents, ...

## Xilong scientific solar container business
